

Dear Trish:

You have no idea what a joy and pleasure it is to have such a wonderful magazine with such great representatives who assist us with our businesses while providing a marvelous (and obviously caring) service to our community. You have helped promote me in my real estate business since I became a realtor three years ago, even before you started the Good Life Community magazine. And... here you are again helping us to promote our new company. No wonder you were our first stop!

I am proud to introduce you to our clientele and was so excited to hear Mel and Frank speak so highly and be so impressed with you that I could not let the moment of excitement pass without letting you know. Yes, Mel Tillis, impressed with this petite young woman from London, England who is so business savvy. Who said "who is Mel Tillis" but does her homework and comes off like she has known him all her life. Woo Woo, we are off to a great start thanks to you and your professional and personable self.  
We just wanted to say THANK YOU TRISH for all you do!

Dear Trish & Good Life Community Magazine-

We at Sun Country would like to thank you for your support in our 19th Annual Halloween Carnival. This year's carnival was a huge success! Because of help from businesses like yours we were able to donate over \$1,000 to Big Brothers Big Sisters. The monies donated will go to help fund and purchase supplies for programs currently offered through Big Brothers Big Sisters.

We appreciate the time and effort you put into helping us promote this event. Thank you so much for your support. We look forward to working with you again next year!

Trish:

I've been very busy and just had the opportunity (and pleasure) to read your Fort Myers/Sanibel Island article.

I'm delighted with it. You have a wonderful style of writing and certainly packed a lot of information into it.

On behalf of the Lee County Visitor & Convention Bureau, thanks for such fine coverage for our destination.

To: Good Life Community Magazine,

I just wanted to drop a line and say that due to your magazine and the cover story, we at Bug Away Specialists Inc. would like to tell you that the response has been incredible and we have had a huge amount of new customers contracted. This is all due to the cover and the article in the centerfold of the magazine.

Thank you,

Trish,

I just found out that the new issue of your magazine is out. I hadn't even realized that it was out yet, and I got a call responding to my Caraway ad. Now I'm just dying to see the ad. And, oh yes, I've had a couple of my fellow real estate agents compliment me on the ad as well. I think this ad will help really make the public aware of our new Caraway subdivision in Jonesville.

Thanks for all your help.  
Sincerely,

Judy Lake-Corey

"We have placed several ads in Good Life Community. I know the magazines have hit the street when I see the visits to our website increase."

"Several copies are always placed in the lobby here at GRU and they are gone within a few days. Our customers read Good Life Community so it is a valuable tool for us to communicate with them."

Trish

Thank you very much for the privilege to be featured on the cover and also in the editorials of Good Life Community. We have really enjoyed the "special recognition" for our dealership that your magazine brings to our community. I personally have noticed that your magazine is everywhere I go and I appreciate the extra effort that you make to insure our advertising is interesting and available to our potential customers. The cover of the April issue showing our President's Award has verified just how important exemplary customer service is to our employees as well as our customers. This was a unique method to let your readers know that we are considered the "best of the best" by American Honda Motor Company through the comments of our customers. Again, thank you, the cover met all of my expectations and was an excellent opportunity to announce our achievements and also, to remind past, present and future customers that Wade Raulerson Honda has been and will be an active part of the Gainesville community for a very long time.

Trish,

I have heard nothing but awesome feedback about your magazine! You wouldn't believe the number of people that tell me they have seen my picture in the magazine. I ask them where they saw the magazine and the locations are varied so it seems to be getting good coverage around town!! :-)

Stellar!!

Dear Trish,

I just wanted to tell you how happy Rhonda and I are that we advertised in Good Life Community. Our front cover and inside article last October turned out wonderful, and we are still having people talk to us about it. It was a fantastic way to kick off our new business. Thank you for your diligence and professionalism.

Sincerely,
